All classes are working with Gavin Murphy, with seniors learning the ukelele & juniors doing music exploration. We recently purchased a suite of Ipads for use in all classes.

We're starting an art Blast project with artist Daniel Guest in Feb & recently had Heritage Expert Steffi Otto in school looking at rope & spring traditions.

We were delighted to return the stage for our production of 'The Amazing Adventures of Superstan' in December, with all classes participating in the musical. Great fun & creativity.
